Re: United States v. Irvin J. Lewis
Criminal Action No. 07-35-SLR

Dear Judge Robinson:

During the suppression hearing on July 16, 2007, the United States offered into evidence two CDs, Government Exhibits 1 and 2. The United States explained that the CDs were the audio/visual recordings of a post-arrest statement made by the defendant on the day of his arrest. The Government further indicated that it would later provide a transcript of that statement.

The United States has prepared a transcript of the approximate 20 minute, post-arrest statement recorded on the identical CDs which are Government's Exhibits 1 and 2. By separate cover letter, the United States will provide the Court a copy of the transcript so that it may become part of the record of the suppression hearing.

Respectfully submitted,

COLM F. CONNOLLY
United States Attorney
